Dear Christopher:

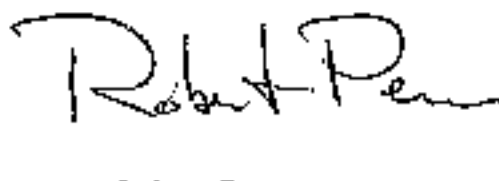

In am writing in response to your letter regarding the July Quarterly Report (4/1/00-6/30/00), coded "RQ-5."

Please find enclosed two corrected pages for the Report covering the period 2/17/2000 through 3/31/2000. The election cycle designation for the contributions made by Mr. Abell and Mr. Smith should have been recorded as "Primary" in accordance with the receipt dates of the contributions.

By correctly allocating the contributions in the proper cycle, the contributors in question should be within the contribution limitations.

Please contact me at any time should you require any additional information or have any other questions.

Sincerely,

Robert Perry
